

# Join the Smart Community Corps

and be a part of the next generation innovators and leaders for public service, innovation and technology for a more inclusive Georgia.

The Smart Community Corps (SCC) is the first statewide effort of its kind for civic-minded students to gain hands-on, valuable experience working on real-life problems in a community environment as a way to apply their skills and improve the lives of residents.

## 36 Internships across Georgia and the U.S.

### Program Benefits

- Connecting and networking with innovators, community leaders, and mentors
- Summer Stipend of \$8,000 paid biweekly over 12 weeks
- Weekly professional development programming
- Support of PIN staff throughout the internship

**Applications due by  
Tuesday, Feb. 28 at 5:00pm**
